Napa Salvation Army Donations

The Salvation Army in Napa feeds a hot lunch to approximately 75 hungry people every weekday and also prepares an evening meal for another 50 people staying in the homeless shelter. It takes about 40 pounds of meat each day for these meals. This is in addition to the dry goods provided by donations and the Food Bank. Meat donations are difficult to obtain. People are generous around the holidays with

turkey donations. The rest of the year beef, pork or lamb would really assist in stretching the daily meals. The local Salvation Army operates with a minimum of staff and provides support to the most needed in Napa including families and the elderly who need emergency food, clothing or emotional support. Donating an animal purchased at the Fair Junior Livestock Auction would directly benefit the local

If you do not want to purchase exhibitor's animal, but wish to "Add-On" to the exhibitor's final sale price, please fill out and submit the information on our website: www.napafair.org OR in person at the auction by Sunday, August 13, 2023 at 12 noon for Exhibitors participating in the 2023 Junior Livestock Show & Sale. Buyers will be invoiced at the conclusion of the Auction and payments can be made by check or credit card to the Napa Valley Expo

PLEASE NOTE

New buyers will be required to purchase a \$150.00 wristband (per person) should they wish to partake in the food and beverage hospitality offered throughout the auction. NEW buyers are eligible for a credit up to \$300 for any auction purchase of \$500.00 or more. To be eligible for credit you must have a Buyers Number assigned at the time of wristband purchase. Credit for a purchase in 2023 MUST be applied at time of payment and must be accompanied by purchase receipt. No Exceptions! A new buyer is defined as anyone who did not purchase an animal in 2022(see list)

The sales slip you receive on the day of the auction is your formal notification of money owed for your animal. All buyers are responsible for correct addresses on the sales slip.

Auctioneers Randy Parnell & Jake Parnell

How the Auction Works...

When you attend the Auction as a prospective buyer, sale books will be available, listing all the animals in order of sale, their weights and owners. As each animal is led onto the auction block, the Auctioneer will ask for bids in cents per pound. If you wish to bid on the animal, raise your hand, whether you buy or not, your bidding will help the sale. If you need help in bidding, ask one of the ring assistants. The bidding will continue until a high bid is reached, the highest bidder gets the animal.

Auction time will be **9:00am**. So that auction buyers can plan their arrival time we offer the following order of the Sale:

- 1) All Swine
- 2) All Meat Goats
- 3) All Meat Pens- Poultry- Rabbits - Turkey's
- 4) All Steers
- 5) All Lambs

This sale order represents an effort on the part of the Junior Livestock Auction Committee (JLAC) to provide convenience for those buyers who buy a specific species.

Why You Should Buy...

Your purchase will help support an educational program. These boys and girls are learning to produce food for your table. They are also learning how to be in business for themselves. But at their age, their business is on a small scale and their costs are higher than commercial feed lot producers. Help them achieve success and insure continued food production by supporting them now. The price you pay today encourages youth participation and is a small investment in the future of America.

After Purchasing An Animal...

Sign for your purchase and indicate your instructions for the disposition of your animal(s). Please make arrangements for the processing of your animal(s) with one of the following:

- A local meat market for cutting and wrapping
 - Live Pickup
- If you do not want the animal for your personal use, you may consign for the resale at market prices. You will pay bid price, less resale value. Another option is donating your purchase to the Salvation Army or Napa Food Bank
- **BEFORE LEAVING THE AUCTION PLEASE PAY FOR YOUR PURCHASES--EXHIBITORS DO NOT RECEIVE THEIR CHECKS UNTIL ALL BUYERS BILLS ARE PAID IN FULL**
